INFORMATION DISCLOSURE STATEMENT

It is respectfully requested that the references listed on the enclosed Form PTO-1449 be made of record and considered with respect to the above-referenced U.S. patent application. In the above-captioned matter, Applicants were advised that numerous of the references previously identified in an Information Disclosure Statement were not considered as they were no longer available to the Examiner. All of the references in question were references previously submitted by Applicants to the United States Patent and Trademark Office in one of this Application's predecessors. This Supplemental Information Disclosure Statement includes all of the references which the Examiner indicated were not considered. Copies of these references were unavailable to applicants. An Information Disclosure Statement identifying these same references and making them again of record is being submitted in this Application's two co-pending siblings: Serial No. 08/463,222 filed June 5, 1995 and Serial No. 08/461,436 filed June 5, 1996. Submission of the

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to Assistant Commissioner for Patents, Washington, D.C. 20231 on September 8, 1997.
